Zagreb, the city of nature and history is without doubt one of the most beautiful cities in Europe. A wonderful place, which is to visit at any occasion. Zagreb offers so much to see and do. Full of bars and pubs, restaurants, monuments and museums. The city impresses tourists looking for a truly wonderful destination for a holiday in Europe. During Advent Zagreb offers a special atmosphere that you simply must experience. An ever increasing number of visitors choose the Croatian capital as a destination especially during Advent. The streets and squares of Zagreb invite you to relax and dream with singing, dancing and other types of entertainment with family and friends. Try traditional delights under the stars or enjoy the various entertainment programs such as various Christmas markets for example on the Europe Square or the smallest Christmas Market under the cable car "Uspinjaca", ice skating and much more on the Tomislav Square and various Christmas concerts. The events begin on November 26th with the lighting of the first Advent candle in the main square Ban Jelacic and with the opening of the Christmas market in the park Zrinjevac.

CITY SIGHTSEEING

Our walk through the streets of the Upper Town will take us to St. Mark's Church, a symbol of Zagreb, to the best view of Zagreb from Lotrščak Tower and to the Stone Gate where we light a candle. Only in Zagreb the noon is announced by the cannon firing from Lotrščak Tower and city parks are arranged in the form of a horse shoe. Zagreb has Maksimir, the oldest public cultivated park in Europe and Archaeological Museum is proud to present the mummy with the longest Etruscan epitaph... The journey through Zagreb's heritage and tradition will be enriched by the unique taste of pepper biscuits and visit to one of the upper town cafes.

EXCURSIONS

VELIKI TABOR

Veliki Tabor is one of the best preserved late Medieval and Renaissance castles in the continental part of Croatia. Visitors can now enjoy the beauty of its architecture, feel the living values of the past and listen to interesting stories and legends.

VARAŽDIN

A jewel of harmony and intimacy, the charm of "Croatia's Vienna" lies not only in its architecture, but also in its atmospheric squares and lovely streets. The buildings, museums, music and flowers of Varaždin continue to offer a relaxing break from everyday life.

PLITVICE LAKES

Plitvice Lakes count among Europe's most beautiful national parks. They are situated in the mountainous region of Lika, Croatia. A total of 16 lakes lying at different altitudes are separated by travertine barriers and linked by foamy waterfalls and cascades. Their creation is a scientific phenomenon.
